We applied for formal prior recognition letter in 2019 and owing to the pandemic situation, we were exempted from submitting the above. We submitted all relevant details then before your office and your office directed us to submit the fire and safety certificate.

As it is the time for further renewal of our affiliation we are in need of the FPRL again. Therefore we kindly request you to sanction the above. The communication from your office regarding the submission of fire and safety certificate in 2019 is also appended herewith for your kind reference. The same is attached herewith
